THE WILD MUSHROOM TRAVELING ROAD SHOW

My Life has been changed and I can quantifiably prove it. This journey is one of the most powerful boosters anyone can have. If there were angels disguised in human form, Gerry and Chris-You would be them.

ALBERT GARCIA

Thank You, Thank You, Thank You, Thank You. It was, and is a beautiful two weeks. You are both so special to do this for our planet.

LUTHER SANDER

You have made it possible for me to feel my heart burst and and fill me with love and courage.

KARLA BRANDT

Thank you for providing a well organized and exciting journey...the first time in my life to be in a place that was truly WILD...where people live in such peaceful harmony with nature and Mother Earth. I loved it.

KATHY BELL

You were wonderful hosts, guides, etc. We were pleased we decided to take your adventure. The view of the night with 1,000,000,000,000 stars can never be duplicated.

BOBBY BETZER

Every day we do whatever we can to keep the memory of the trip alive in our lives.

DEAN PAILLER

Thanks so much for the most wonderful trip of my life.

RHONA MEYERS

Going through life without seeing the Amazon with Chris and Gerry is like going through life without sex.

ALBERT GARCIA

I think about the Amazon every day. I travel a lot, but yours was the best trip I've ever taken.

MYRIAM BOISYUT

I have been cured of many serious ailments on your trip. You are like gods.

CHARLES WEITZNER

Any one day of this trip is more exciting than any other whole trip I've ever taken.

JIMMIE JAMESON

My body and mind are now cleansed after 50 years of toxins and stress. I am a new person. I feel great.

MARSHALL CHESS

Thanks again for a wonderful and enlightening trip. It was truly an adventure I will never forget.

JOHN MEDVECKIS

However teasingly short, the Amazon is a big, beautiful memory.

JANINE MELZER

Although I came back to the usual amount of hysterical show business stuff, I had a strong sense of well-being as though I had been purified and that's a fact.
